

Holt Headliner: April 23-27

bholt@pickeringcs.on.ca

I hope you have been enjoying the resources I have sent home this week. Spelling City is a great tool to allow your child to practice their spelling words. Also, Seesaw is a great way to feel connected to your child's happenings while at school. You may ask your child "what did you do at school today?" and you'll get the typical response, "nothing." A helpful tip is to use the pictures posted as talking points for your child.

Events

April 27: No Assembly

April 30: Track and Field

May 9: Night at the Museum

Social Studies

Your child's social studies projects will be sent home this weekend. Please encourage your child to complete 3 sentences for each statement. Please do not do it for them. Your child has had lots of time to work on it in class using kiddie or the 80 books I picked up from the library. We are starting our good copies this upcoming week. Please return the duo tang on Monday.
