Language

- Possessive Nouns: "How can nouns show belonging?"
- Adjectives: "How can you describe nouns?"

We Invite You To Join In!

Every Friday, I will post one or more ways you can join your child in their learning! These are meant to be interactive ways that your family can engage in some of the topics that we are exploring in Grade 2!

This weekend, complete one (or more) of the following challenges:

- 1) **Language:** Go on a noun and verb hunt! What nouns can you find and are they doing any actions (verbs)?
- 2) **Math:** Teach your FAMILY what a FACT FAMILY is! Try it with the numbers 2, 3, and 5 (or make your own!).
- 3) **Spelling/Phonics:** With everyone's names, can you find any short vowel sounds? What about consonant blends?
