

**PICKERING  
CHRISTIAN  
SCHOOL**

October 26, 2018

Dear Parents:

On Wednesday, November 7, 2018, the Grade 2 class will be going to the Ontario Science Centre in Toronto. As a conclusion to our Matter Unit in Science, we will be participating in the workshop: Matter and Materials. Since the workshop is only 45 minutes, we will also get the privilege of touring the centre. We will be leaving the school at 9:15 a.m. and returning by 2:30 p.m.

We will be traveling by bus and will need some parents to supervise. The students will need to bring a disposable lunch. They are also required to wear their PCS white dress shirt and black or grey hoodie (optional), along with a black skirt or pants and comfortable shoes.

Please complete the permission form below and return to the school as soon as possible.

Thank-you.

Yours in His service,

Mrs. K. Kauffeldt, OCT
