

Baggley Business

October 16-20

Notes From the Teacher

Walkathon is this coming Monday, October 16th. Students voted for black to be their walkathon colour this year. They should wear comfortable shoes (favourite hat is optional) and bring a water bottle. So far we have \$500 towards our class goal of \$5200. Could you please have your child write down in their agenda the total amount of pledges they have so far?

Blessings,

Mrs. B. Baggley
