God Lights Our Way

The Word is a Lamp unto my feet and a light unto my path. Psalm 119:105

We just completed another busy and productive week. Next week we have the walkathon taking place on Monday afternoon. Please continue to have your child raise money by asking family and friends to sponsor them. Our class goal is \$4400, which works out to \$200 per student. The money doesn't need to be collected by Monday, but if you can give your child an update amount for Monday, that would be helpful. That way we can track how the class is doing with respect to their goal. Glow-in-the-dark Sky Zone is the prize if the class meets its goal. Good luck! Our class colour is Black with bright accessories.

Notes/Reminders

- Walkathon is taking place on Monday, October 16. A Walkathon booklet should have gone home with your child.
- Grandparents and Special Friends Day is coming up on Friday, October 27.
- Picture Day is October 31.
