

# Gr. 7 News! (Apr 23rd-26th)

## *From Mr. Webb:*

**Tech:** Students will be completing their workbook of financial literacy and preparing a small presentation of their work. After this they will be completing pixel art.

**Geography:** Students are learning about land formations and natural disasters. Should begin putting their posters together for Night at the Museum.

**Bible:** Students are looking at the united kingdom of Israel and the Kings. Galatians 1:3-12 is the memory verse for March and April due to the Spring break.

**Art:** Students will be working on the ROCK banner and tessellation.

**Math:** Students are continuing work on their group project on creating a zoo! Continuing work on finding area of 2D complex objects.

**English:** Spelling Test #19 on google classroom (Tuesday). English grammar workbook and word skills #18.

## **Other Important Notes:**

- **Senior badminton Tournament on Tuesday, April 23.**

## *From Mr. Laur:*

**Science:** We will continue designing our Canadian natural disaster proof home, as the science component of our Night at the Museum project (Reminder to bring in supplies for tuesday).

## *From Mrs. Elmer:*

**F2:** Our F2 unit is complete. We will be working on vocabulary and Intellectual Art.

**French:** We will continue to work on our French skit entitled "Comment Y Aller". There are 2 new Questions of the Week.
