

Gr. 8 News! (Feb 19th-22nd)

From Mr. Webb:

Tech: No tech this week due to family day!

History: Students are going to begin working on their geography!

Bible: Students will be working through the introduction to Sikhism. Galatians 1:3-8 is the memory verse for February.

Art: Students will be working on bringing to life their imaginary characters through mixed media.

English: Word Skills #17 to be completed. Spelling quiz #17 on Thursday.

From Mr. Ogborne:

F2: We will be taking our Vocab and Skills Test.

Other Important Notes:

- **Friday is wacky tacky day!**
- **No school on Friday, February 15 and Monday February 18.**

From Mr. Laur:

Science: We will look at the role of the neuron in the human body, specifically the mechanisms of learning. Understanding how innervation to the rest of the body relates to neuronal connections in the brain.

Math: Apply our fractions rules to order of operations and probability situations.

From Mrs. Elmer:

French: We will be answering questions and learning new vocabulary related to health in our VISA books.

English: Monday is Family Day so there is no Creative Writing class.
