Phonics- Review

Our new F2 cluster is Retelling and the visual tool is a flow chart.

Process Questions: 1) What happened in the story? 2) In what order did it happen?

**Math:** Patterning

We had a lot of fun with our 100<sup>th</sup> Day of School Celebration!!! We collected 100 snacks, we made a tower with 100 cups and linked a 100 piece chain, we jumped, skipped 100 times and we took 100 giant and baby steps. Thank you to Mr. and Mrs. Lazar, Mr. Tadros and , Mrs. Huk for helping to make our 100th Day Celebration a success!

**Take Note**

It is our policy at PCS not to exchange Valentine cards in the classroom. Instead, we are encouraging students to show acts-of-kindness to one another. As a class we already have 87!
