

Miss Grant's GUIDE TO GRADE 4!

rgrant@pickeringcs.on.ca

Sept 25 - Sept 29, 2023

Wow! I cannot believe that we are starting into the fall! That means that we are finishing off a lot of our first units and moving on to new ones. We have a lot in store this week, so take a peek.

Passwords and login information is found in students friday folders! This will allow students to use the apps they do in school at home to practice and extend their learning.

Spelling

In spelling this week we are focusing on words with the consonant digraphs ch, ph, sh, th, and wh.

Grammar

In grammar we are continuing learning about different kinds of sentences. We will also be looking into alphabetical order.

Important Info:

- Gym clothes can be worn on Mondays and Tuesdays.
- Recorders should be brought to school Wednesdays and Fridays
- Sept 27- Math Quiz (numeration)
- Sept 28- First MAP Test (no studying required)
- Sept 28- Bible Quiz (just the memory verse)

Memory Verse For the Month:

Acts 1:8

But you will receive power when the Holy Spirit has come on you, and you will be My witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth.

Sneak Peek Into Next Week:

Math: We are ending off our first unit with problem solving and a quiz. Please begin reviewing multiplication facts at home in preparation.

Science: Students will continue learning about animal adaptations and habitats.

Bible: We will end our first unit, learning how we can share our faith with others.

F2: We will be creating our intellectual art, to showcase the books we've read.
