

What's New in Grade 2?

Important Notes

Now that we have been given some warm days and our snow is melting, it is common for the students to come in from recess with clothing items that are wet. If at all possible, it would be very helpful for the students to have some extra clothing items in their backpacks (especially **socks, mitts, pants, and masks**).

February Memory Passage

Psalm 139:13-14

We will have formal presentations on March 11th

For you formed my inward parts;
You knitted me together In my mother's womb.
I praise you, for I am fearfully and wonderfully made.
Wonderful are your works, my soul knows it very well.

We invite you to Join in!

- **F2:** For our F2 Book Report, we are learning a little about Media Literacy. This week, we learned about the "**Target Audience**" in advertisements, movies, and books. Over the weekend, can you find advertisements around you? What is the target audience? How do you know?
- **Science:** We learned about "Rube Goldberg Machines". Try to make one. Post it on seesaw!
