**May 22-27, 2022**

We had another great week in grade 2! We continued practicing to subtract two-digit numbers in math. In language, we focused on apostrophes and completed a performance task for our F2 unit. I am excited to share that we are going on a field trip to the Toronto Zoo on **June 8!** A permission form was sent home today.

Reminder that there is no school tomorrow (May 20) and Monday (May 23).

Enjoy your long weekend!
