Reading: We have started reading our Novel Study: Because of Winn Dixie. Each day students are reading 2 chapters either as a class, with a partner or individually. They complete different activities each day.

Math: We are continuing our unit on Data Management. Students will learn different types of graphs and when to use each type. We are also working on creating an infographic.

Science: We started our units on Rocks and Minerals. We had fun using Starbursts to learn about the rock cycle. Next week, we will be digging for gems.

Writing: We continue to work on persuasive writing. We will be practicing our editing skills to make sure we have correct punctuation and spelling.

Editing: Each week we will have a paragraph to edit. Student can practice these words: people, materials, recycle, metal

Monthly Memory Verse

Now Moses was faithful in all God's house as a servant... but Christ is faithful over God's house as a son. And we are his house if indeed we hold fast our confidence and our boasting in our hope.

Hebrews 3:5-6

Important Dates:

Nov. 25 - Report Cards come home
Nov. 26 - Interview Booking Open
Dec. 1&2 - Parent-Teacher Interviews
Dec. 15 - Christmas Concert
Dec. 23 - Last Day of School

We have had a great week learning together. A highlight was making the rock cycle using Starburst candy. Next week in Science we are going to become archaeologists and dig up some gems. Students saw the kits and are already excited about it.

This week Bella is our student of the week. You can pick our Wednesday Worship song and bring in something to share on Friday. If you would like to show some pictures, parents can email them to me.

Just a reminder, you can book interview times starting tomorrow. Please see information about this in the School's weekly email.

If you have any questions or concerns please contact me at ajohnston@pickeringcs.on.ca
