Dear Parents,

As part of our Habitats and Communities unit, the Grade 4's have an exciting opportunity to visit the Ripley's Aquarium in Toronto, on Thursday, November 3rd. We will be traveling by bus, leaving the school around 9:00 am and leaving the aquarium around 1:30 pm for the return trip.

Students will have the opportunity to observe a variety of aquatic animals in their habitat, while observing different adaptations they have which helps them survive under water. Students will bring their litter-less lunch and refillable water bottle, to eat it in the aquarium's designated area.

Students are expected to wear their "dress uniform"- White dress shirt, black bottoms and comfortable shoes.

We have some space for parent volunteers at an extra fee. Our hope is to have our volunteers on the bus which limits our numbers. Please indicate if you are interested and we can provide more information.

In His Service,

Miss. Grant and Mrs. Johnston

(Gr.4 Ripley's Aquarium- November 3, 2022)

I give _____ permission to participate in the Ripley's Aquarium trip on November 3, 2022.

I do not give _____ permission to participate in the Ripley's Aquarium trip on November 3, 2022.

Yes, I am interested in volunteering _ Parent's name _____
