Mr. N. Ogborne
VP - Intermediate

Dear Parents,

To coincide with our Air and Water in the Environment unit, the grade two classes will be visiting the Kortright Centre for Conservation on Monday October 21, 2024. Students will be engaging in hands-on activities and will investigate the effects of air and water and how they affect living things.

We will be leaving by bus at 8:45 a.m. and will be returning at approximately 2:30 p.m.

School uniforms are required on class trips (green/grey/black PCS polo shirt- white dress shirt is not required, black pants/shorts/skorts). The activities will be outside so please wear warm clothing (PCS sweaters, hats, mitts, coats).

We will be taking our lunch bags with us to eat after our activities.

We are requesting parent volunteers for this trip. Your child's fee is covered through the class trip funds but parent volunteers are asked to pay a small fee of \$8.00. Parent volunteers will be able to ride the bus with us to and from the Kortright Centre for Conservation. Please be advised that siblings are not permitted to come on school trips.

Remember that all volunteers do require a Vulnerable Sector Check to attend field trips. Please ensure you have a copy of your Vulnerable Sector Check in the office.

In His Service,

Mrs. J Hales & Mrs. K Shin
