Dear Parents:

As part of our grade 2 science unit on Simple Machines, we have the opportunity to visit the Ontario Science Centre on **Wednesday, February 21st**. We will participate in a hands-on workshop on Simple Machines as well as have an opportunity to explore the various exhibits.

We will be leaving PCS at 9:00am and returning to the school at 3:00pm. We will be traveling by bus for this trip and require parents to supervise. Please indicate below if you are available to join us. There is a limited number of spaces on the bus for parent volunteers.

Students are to pack a disposable lunch and to wear their PCS white dress shirt, black bottoms, and comfortable shoes.

I am looking forward to a great day at the Ontario Science Centre. Please complete the permission form below and return it to the school as soon as possible.

Yours in His Service,

Mrs. S. Newhook
Grade 2 Teacher

*Please keep this letter for future reference and only send back the bottom slip.
Thank you!*
