

Dear Parents,

You are invited to attend the Senior Kindergarten Program **"A Year in Review"** on Wednesday, June 15, 2022 from 9:00 - 10:30 a.m. Please note this program is for **ADULTS ONLY** (Parents, Grandparents, etc).

In order to set up tables and chairs, it is necessary for me to know how many people will be coming to see your child. I would appreciate you returning this form as soon as possible.

**This is an important event for your child so please have someone attend.**

Blessings,

Mrs. R Passchier
