Dear Grade 7 Parent (s) or Guardian,

On **Tuesday, May 30, 2023** the Grade 7 class will be visiting Casa Loma as part of learning about what life was like in Canada in the 19th century. We will be spending the first hour on a guided tour of the first 3 floors of Casa Loma, followed by approximately an hour where students can explore the grounds a little more. They will also be bringing their sketchbooks to draw a still life of something interesting that they have found on the grounds.

We will be leaving the school via bus approximately at **9:15 am** and returning to P.C.S. by **2:30 pm**. They should be dressed in their white Oxford uniform with appropriate footwear, as they will be walking a considerable distance both up and down stairs.

The meal schedule is difficult to explain, so please read the following carefully. Due to restrictions from Casa Loma, the students will NOT be able to bring food into the grounds. There are also NO in and out privileges, so once they begin the tour, they have to finish it. That is why the students will be eating before the tour and after. Students need to bring their own lunch and snack. We will be able to keep a backpack on the bus, but are not allowed to eat on the bus. There is a little parkette/walking path beside Casa Loma that they may be able to use before entering and after they have left.

Please complete the permission form below and return it to the school as soon as possible.
Thank you.

In His Service,

Mr. J. Webb

I give _____ permission to attend on Tuesday, May 30, 2023.

I do not give _____ permission to attend on Tuesday, May 30, 2023.
