

PICKERING
CHRISTIAN
SCHOOL

April 13, 2026,

Dear Parents/ Guardians,

On April 29, 2026, the Grade 4 Class will be visiting the **Ripley's Aquarium of Canada** as part of our Science program. This experience is directly connected to the **Ontario Science and Technology Curriculum – Habitats and Communities strand**.

We will be leaving the school by **8:45 a.m.** and returning back to the school at approximately **3:30 p.m.** **We will be travelling by bus and will need some parents to supervise. Please note that all supervisors must provide the school with a valid police check.**

The students will need to bring a disposable lunch (no glass containers) in a small backpack with your child. They are also required to wear their PCS white dress shirt and black or grey hoodie (optional), along with black pants or skirt and **comfortable walking shoes**. Please dress your child appropriately for the weather.

Please complete the permission form and return it to the school no later than **April 27, 2026**, in order that we may submit a final count.

Thank you.

Yours in His Service,

Ms. Sinclair
Grade 4 Teacher
