Dear Parents,

On Thursday, April 2, 2020 the SK class will be visiting Willowgrove Outdoor Education Centre in Stouffville to participate in their Maple Syrup program. The children will learn the process of tree sap becoming maple syrup.

~We will be leaving by bus at 8:45 am and will be returning at approximately 3 pm.

~School uniforms are required on class trips (green/grey PCS shirt, black pants).

~Some of the activities will be outdoors so be sure to dress your child in the appropriate outdoor attire.

~ We will be taking our lunch bags with us.

We are requesting parent volunteers for this trip. However, due to limited space on the bus I can only take 3 volunteers so I will take the first three people that email me at rpasschier@pickeringcs.on.ca. Please be advised that siblings are not permitted to come on school trips.

In His Service,
Mrs. R Passchier
