

**PICKERING
CHRISTIAN**
SCHOOL

Mr. D. Park
Principal

Mrs. J. Grant
VP - Primary

Mr. N. Ogborne
VP - Intermediate

SNOW DAY POLICY

If at any time, buses cancelled or schools are closed in the Durham Region due to the weather; **all regular services offered by PCS will still be available.**

This means:

- Before & After School programs will still run at the same times and at the same rates.
- There will be no phone calls made to announce a "Snow Day Mode".
- However, regular classes will be replaced with a modified day, based on number of students and availability of teachers.

We encourage families to determine for themselves whether they feel it is safe to drive to the school. If you decide to not drive your child to the school, we would still ask you to call in and inform us.

ONE EXCEPTION

If for any reason, it becomes necessary to close the school on short notice (severe ice storm, gas leak, etc.); you will be notified by an automated telephone message before 7:00 a.m. to confirm the close.
