Diploma in Early Childhood Education (RECE)

Honours degree in Behavioural Psychology

Currently pursuing a Master of Arts in Counselling Psychology
at Yorkville University

contact me:

dourado@pickeringcs.on.ca

about me:

I have a passion for working with children and appreciate their curiosity and joy. As a mother to my six-year-old son, Antonio, I recognize the importance of children feeling known and supported at school. My faith and family are central to my life, and I am excited to join PCS to help students discover their God-given strengths as they develop academically, socially, emotionally, and spiritually.

favourite scripture:

Psalm 23:4
