Area Unit Test - Monday
Introduction to Fractions

SOCIAL STUDIES

Traditions & Celebrations

BIBLE

John Baptizes Jesus

January Memory Passage

Whatever you do, work heartily,
as for the Lord and not for men

Colossians 3:23

Teacher note

We had a wonderful first week back at school! It was so nice seeing everyone and hearing about your holidays.

We have already **completed a short math unit on area and will have a test on Monday to wrap up this new learning.** We are also back to having spelling tests on Fridays. As a reminder, spelling words are not sent home each week. We learn the phonics rule or skill at the beginning of the week and practice our words every day in class.

Next week, during our Friday house activity, students will be playing board and card games in their house groups. If your child has a game they would like to play with their friends and **you are willing to send it in (by Wednesday, January 14), that would be wonderful.** Please keep in mind that we will have about 30-40 minutes, so shorter games that can be completed within that time frame are best. 😊

Important Dates

January 12 - Math - Area Unit Test

January 16 - Spelling Test

January 19 - 30 - MAP Testing (we will have three tests over the course of two weeks). Specific dates will be shared closer to January 19.

January 30 - Worship Assembly (come join us!)

Wear your house shirt every Friday!
