## Important Reminders

We've had a great transition back to school! Students have settled into classroom routines quickly and are doing a wonderful job following expectations and learning together again.

They've shown responsibility, respect, and readiness for learning, and their hard work paid off with a class prize this week. We're off to a great start!

Next Friday, students will play board and card games in their house groups. If your child has a game to share, please send it by Wednesday, January 14. Shorter games that finish in 30-40 minutes work best

With the cold and wet weather, some students have needed an extra pair of socks or gloves during the day. If you're able to tuck a spare pair into your child's backpack, it would be greatly appreciated. Thank you!

## January Memory Passage

Serve with Kindness in  
humility.  
Philippians 2:3-4

- 3** Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves.
- 4** Let each of you look not only to his own interests, but also to the interests of others.
