

GRADE 3A NEWSLETTER

NOVEMBER 16-20

What We Are Learning

READING (F2)

We are continuing to work on our character unit. Students are learning about different character traits and are finding evidence in text to support their idea.s

MATH

We have been learning about bar models which helps us solve addition and subtraction problems. We will be starting 2 steps problems.

SOCIAL STUDIES / SCIENCE

We are going to be having a social studies test. We will be starting our science unit on Force.

WRITING/LANGUAGE

We are going to be looking at conjunctions and joining sentences using because, but and so. Students will be working on Paragraph writing. In spelling, we will be looking at ED.

BIBLE

We will be starting our continuing our unit on Angels Visit Abraham.

MEMORY VERSE

For nothing will be impossible with God.

Luke 1:37

Note From Teacher

Time is just flying by in Grade 3.

Progress reports will be coming home next week. There will be information about signing up for parent-teacher interviews. Keep an eye out for it.

Students are encouraged to practice their basic addition and subtraction facts at home. Some are still using fingers to add numbers like 7 +3 or 9+3. We want them to know these quickly.

If you have any questions, please email me: ajohnston@pickeringcs.on.ca

Student of The Week

Student of the week is David . You can pick a worship song and bring show and tell on Friday.
