MAY 4 - 8

## What We Are Learning

### READING (F2)

We will be starting our Cause and Effect Unit. Students will be reading short stories and identifying different causes/effects.

### MATH

We have been working on Fractions. Had a Super Hero activity on Friday...students used fractions to save the day! We will continue fractions and then begin shapes.

### SOCIAL STUDIES/SCIENCE

Students have done a great job on their Pioneer Projects. I can't wait for you to see them at Night at the Museum. We will wrap up our unit with a test. We will start our Science unit on PLANTS/SOIL.

### WRITING/LANGUAGE

We continue to work on prefix/suffix. We worked on quotation marks this week and will review next wee.

### BIBLE

Students will be having a test on Rachel and Jacob. We will review in class. Our last unit is the Burning Bush.

### MEMORY VERSE

Trust in the Lord with all your heart, and do not rely on your own understanding; think about Him in all your ways, and He will guide you on the right paths.

Proverbs 3:5-6

## Note From Teacher

Thank you to all the parents who came on Pioneer Village Trip. We had a great day. Praise God for the lovely weather we had.

Wednesday is Night at the Museum. Students have worked hard on their projects. We can't wait to share them with you!

I'm going to be sending an email home, asking for a favourite recipe to be sent in.

If you have any questions, please email me: [ajohnston@pickeringcs.on.ca](mailto:ajohnston@pickeringcs.on.ca)

## Student of The Week
