JANUARY 12- 16

## What We Are Learning

### READING (F2)

We have begun our next F2 Unit- Summarization. Students have been working on this as a class, in small groups, and with partners. This week, they will be starting reading a novel and completing the visual tool for each chapter.

### MATH

We finished our money unit. Students will continue to review in class. We are starting our next unit on multiplication and division.

### SCIENCE

We have been continuing our unit on Forces. We completed some gravity experiments and talked about air resistance. This week, we will be looking at friction and magnets.

### WRITING/LANGUAGE

We spent time writing our about Christmas holidays and writing about New Year Goals. We will continue working on paragraph writing. We will also be reviewing contractions and possessive nouns.

### BIBLE

We are doing an inductive Bible study unit.

### MEMORY VERSE

Little children, we must not love with word or speech, but with truth and action. 1 John 3:18

## Note From Teacher

HAPPY NEW YEAR!

We've had a great first week back to school. It was lovely to hear about everyone's holidays.

On Friday, Jan. 16, we are having a House Group activity day. If your child has a game to share, please send it by Wednesday, January 14. Shorter games that finish in 30-40 minutes work best. Please make sure to label the games.

If you have any questions, please email me: [ajohnston@pickeringcs.on.ca](mailto:ajohnston@pickeringcs.on.ca)

## Student of The Week

Student of the week is Chiara. You can pick a worship song and bring show and tell on Friday.
