

GRADE 4 NEWSLETTER SEPT. 12TH - 19TH

CLASSROOM HIGHLIGHTS

Hello Grade 4 Families!

It's been an exciting week in our classroom. This week we implemented "Secret Student" into our classroom routine. Three times a week a student is chosen at random and closely monitored (in secret). If the student is demonstrating kindness, being respectful, staying on task and following classroom procedures throughout the day, the student's name is revealed and they are given the opportunity to choose a small prize out of our treasure box. Congratulations to the first two successful Secret Students, Ethan B and Norah.

SECRET
STUDENT

Who could it be?

MATH

Students will continue to read, represent, compose, and decompose whole numbers up to 10'000. They will also compare and order whole numbers.

REMINDER:

Please remember to label your child's uniform. We have number of unidentifiable items in the Lost and Found

GOOGLE CLASSROOM

This year I will be using Google Classroom in order to communicate parents and students, receive work and collaborate on projects. More to come on this in the near future!

INTRODUCTION TO THEME. LEARNING THEME VERSE
