

GRADE 4 NEWSLETTER

NOV. 24TH - NOV. 28TH

s report.

Happy Friday Grade 4 families! By now you have received your child's progress report. As you review it, please keep in mind that it serves as a snapshot of their learning and development to this point in the school year.

This report reflects a combination of classroom observations, assessments, and assignments completed over the past two months. Its purpose is to provide you with an overview of your child's current strengths, areas for growth, and overall progress within the Grade 4 curriculum.

Progress reports are intended to support open communication between home and school. They offer a foundation for identifying meaningful learning goals and strategies that will help guide your child's continued success as we move forward.

It is my hope that, together, we will continue to encourage each student to work with a spirit of excellence unto the Lord (Colossians 3:23).

Important Details

Over the next couple of weeks, we will be focusing on the topic of Character. Students will explore what it means to be a person of character and how we are called to honour God through our words, deeds, and actions. We have been discussing the impact and consequences of the choices they make and how their behaviour reflects the character they are developing.

Our goal is to help students recognize that character is demonstrated not only in what we say, but in how we treat others, respond to challenges, and make decisions each day.
