JAN 12TH - 16TH

Thank you!

Once again, I would like to wish you and your family a very blessed New Year. May you continue to sense the Lord's presence as you journey through the year ahead.

I would also like to extend my sincere gratitude to you all for the very generous and thoughtful Christmas gifts and cards. They were truly a blessing and deeply appreciated.

The students began the year with a reflection assignment that encouraged them to choose "one word"—a powerful word that will help guide their actions throughout the year. These words will be posted on their desks and displayed around the classroom as a meaningful reminder of their personal goal.

Throughout the year, students will be encouraged to reflect on how they are living out their "one word," both academically and socially, at school and at home. It is my hope that this activity will help them grow in character, responsibility, and faith as they strive to honour God in all that they do.
