CLASSROOM HIGHLIGHTS

Hello Grade 4 Families!

MAP testing has begun! For the next two weeks students will participate in Measures for Academic Progress (MAP) testing. Each student will be assessed in Mathematics, Language and Reading. MAP is designed to guide instruction and support student growth. It also provides students with the opportunity to demonstrate their knowledge, see their progress and goal setting.

STUDENTS HAVE BEEN WORKING ON THEIR DICTIONARY SKILLS THIS WEEK. LOOKING UP WORDS IN A DICTIONARY IS CRUCIAL FOR DEVELOPING THEIR VOCABULARY, IMPROVING SPELLING, AND ENHANCING READING COMPREHENSION, AS IT EMPOWERS THEM WITH A VITAL LIFE SKILL FOR LIFELONG LEARNING AND RESEARCH.

This week we will continue to look at the life of Jesus.

Specifically we have been discussing:

- Why sin came into the world
- Our need for a Saviour
- God's plan in sending His Son
- The idea of God forgiving sins
