

# WHAT'S UP IN GRADE 5 THIS WEEK?

SEPTEMBER 15-19 2025

## FIRST FULL WEEK BACK!

We had a great week in grade five! I have been amazed at how quickly our class has learned our routines in procedures in the classroom.

This week we started our first units of the school year in many subjects, started learning their ukuleles with Mrs. Ullman, and lots of grade fives started training for cross country with Mr. Ballanger.

We ended off our week with our school-wide house group activity!

Have a great weekend!

Mrs. Reeves

## WHAT WE'VE BEEN LEARNING

### F2 / LANGUAGE

In F2 we are learning to identify the main topic, subtopics, and supporting details in non-fiction texts.

In language we are reviewing how to write a paragraph.

### MATH

In math we are learning to read, represent and compare numbers up to 100,000.

We will be having a **quiz on Friday September 19** (review packages coming home in Friday Folders).

### SCIENCE

In science this week we learned about the three different states of matter.

### BIBLE

In Bible this week we learned about inductive Bible study, and practised observing scripture. Memory verse review sheets are coming home in Friday Folders.

## SPELLING

We will be having a first spelling test on **Thursday**.

### Spelling Words:

there	write	it's	surface	listen
their	written	several	follow	ask
first	does	face(s)	build	single
its	together	group(s)	check	clear
most	sure	among	grew	they're

## COMING UP!

Our first assembly of the year will be on Friday September 26th.

October 13 - Thanksgiving (School Closed)

October 17 - Walkathon
