

# WHAT'S UP IN GRADE 5 THIS WEEK?

JANUARY 12-16 2026

## HAPPY NEW YEAR!

Happy Friday and Happy New Year! It has been so nice to be back with the grade 5s this week and hear all about their Christmas breaks. I hope that you and your families had a wonderful time celebrating the birth of Jesus.

Reminder that grade 5s need to bring back their **agendas** and **Friday Folders** on Monday. Have a great weekend!

## WHAT WE'VE BEEN LEARNING

### F2 / LANGUAGE

We spent this week learning about **theme**, which will be our next F2 unit, and planning theme parties in groups.

In language we are reviewing how to expand sentences in informational writing.

### MATH

This week we started our **Operations with Decimals** unit, learning to estimate, add and subtract decimals.

Grade 5s are bringing home some review pages on rounding to work on over the weekend. They should also be reviewing their multiplication and division facts regularly.

### SOCIAL STUDIES

We are learning about the Canadian Government.

### BIBLE

We started our new unit on **Deborah** this week.

### SPELLING

We will be having a spelling test on **Thursday**.

#### Spelling Words:

your(s)	always	answer	friend(s)	street
their	until	complete	information	couldn't
another	since	carefully	figure	reason
because	sure(ly)	simple	you're	difference
	something	else	plane	

### COMING UP!

Next Friday, students will play board and card games in their house groups. If your child has a game to share, please send it by **Wednesday, January 14**. Shorter games that finish in 30-40 minutes work best. Thank you!
