

WHAT'S UP IN GRADE 5 THIS WEEK?

MAY 11-15 2026

HAPPY FRIDAY!

Happy Friday and Happy Mother's Day Weekend! I hope that you all have a lovely weekend. It was so nice to have so many of you in our classroom for Night at the Museum this week.

We had another great week in grade five this week.

Reminder that grade five students need to bring back their **agendas** and **Friday folders** on Monday. (we have had a few agendas and Friday folders that have disappeared, so if you could have an extra check for them at home, that would be helpful!)

WHAT WE'VE BEEN LEARNING

F2 / LANGUAGE

We are starting our second **Book Reports** of the year. Please read sheet in Friday Folders for information about these projects.

In language we are working on **descriptive writing**.

MATH

Measurement of Parallelograms, Rectangles, and Triangles

Our test for this unit is moved to **Monday May 11th**. Grade 5s are bringing home some additional practice questions to do over the weekend.

Our next unit will be on **angles**.

SCIENCE

Conservation of Energy quiz on **Thursday May 14th**
(study sheets coming home)

BIBLE

We are continuing our unit on **Samson**
Memory Verse: Galatians 5:24-26 (ESV)

SPELLING

We will be having a spelling test on Thursday

Spelling Words:

there	work(ed)	morning	reason(s)	team
their	because	everyone('s)	history	blood
first	asked	third	business	corner
through	enough	teacher	period	they're
another	several	plan(ned)	rich	

COMING UP!

May 13 - In School Track and Field Event

May 15 - PD Day (no school)

May 18 - Victoria Day (no school)

May 22: Grade 5 Field Trip to Fair Havens

May 23: Community Day
