

WHAT'S UP IN GRADE 5 THIS WEEK?

SEPTEMBER 21-25 2026

FIRST FULL WEEK BACK!

We had a great week in grade five! I have been amazed at how quickly our class has learned our routines in procedures in the classroom.

This week we started our first units of the school year in many subjects, started learning ukuleles with Mrs. Ullman, and some of our grade fives started training for cross country with Mr. Ballanger.

We also welcomed our high school co-op student, Miss Maya, to our classroom this week! She will be with us every morning until January and we are blessed to have her.

Have a great weekend! **Reminder to please bring back agendas & Friday Folders on Monday!**

Mrs. Reeves

WHAT WE'VE BEEN LEARNING
