

# THE DESRAVINES POST

JK B - Weekly Newsletter - September 15-19

## REPORT FROM TEACHER

Hello families,

Another wonderful week in our JK-B class! The children demonstrated courage, confidence, and compassion as they embraced the many different experiences that came their way. We are so proud of them. We're excited to see what next week brings.

## BIBLE

**Deep Roots:** God's word.

**Memory Verse: Psalm 119:105**

Your word is a lamp to my feet and  
a light to my path.

## LANGUAGE

**Phonics:** We are focusing on the letter B, and early writing skills. We are continuing to identify what our name looks like.

**Special Helper:** The special helper this weeks is **Ayla**. Please have her bring in something to share on Friday that begins with the letter B. View Seesaw.

## MATH & SCIENCE

**Math:** This month, our focus will be on shapes and colours. We will explore different shapes, learn to identify them, and practice sorting by both size and colour. We will continue to work on cutting with scissors & pencil, crayon and marker grasping.

**Science/Discovery:** In science, we will continue learning about nutrition for the rest of the month. We are exploring which foods grow on trees and which foods grow underground. This will tie in with our future Bible conversations about God's creation.

## FRIENDLY REMINDERS

Please remember to empty your children's Friday/Take home folder and return it back in their bags Monday morning. The folder will contain class work finished or unfinished. Please continue to work on pencil practice, self-help skills and healthy eating habits at home this week.

**Put a smile on:** Q: What do you call a sad strawberry?

A: A blueberry. 🍷
