

THE DESRAVINES POST

JK B - Weekly Newsletter - November 3 - 7

REPORT FROM TEACHER

Hello families,

We are saying goodbye to our unit regarding all things Fall, and saying hello to our unit on Transportation! We will be focusing on how we move from one place to another, identifying different types of vehicles that travel on land, water, and air, and exploring the purpose of these vehicles.

BIBLE

Deep Roots: The story of Moses.

Memory Verse: John 13:20 "Truly, truly, I say to you, whoever receives the one I send receives me, and whoever receives me receives the one who sent me."

LANGUAGE

Phonics: We are focusing on the letter I, and the sounds that it makes.

Special Helper: The special helper this week is **Morgan**. Please have her bring in something to share on Friday that begins with the letter I. Please view Seesaw for the script.

MATH & SCIENCE

Math: This month we will be focusing on sorting. This week, we will look at sorting transportation vehicles by size, whether they are used on land, water or in air, and more.

Science/Discovery: In science this week, we are looking at fast vehicles vs slow vehicles and what vehicles sink or float.

FRIENDLY REMINDERS

Please remember to **empty** your children's Friday/Take home folder and return it back in their bags Monday morning. The folder will contain class work finished or unfinished. Please review the work with your children and complete what is incomplete.

Important dates: November 14: Grandparents Day

Put a smile on: Q: What do you call a train that eats too much?

A: A chew-chew train. 🚂
