

# GRADE 4A NEWSLETTER

APRIL 28 - MAY 2

## What We Are Learning

### READING (F2)

- We are finishing up plot
- Will be completing intellectual Art

### MATH

- We are finishing our unit on time.
- We will be starting fractions

### SCIENCE

- We are learning about Machines and their Mechanisms.
- We are looking at levers, pulleys, gears, incline plane, screws and wedges.

### WRITING/LANGUAGE

Students are writing comparison paragraphs for the books we have been reading in F2

### BIBLE

- We will be looking at the first missionary journey of Paul.

### MEMORY VERSE: ACTS 14: 19-20A

Then some Jews came from Antioch and Iconium and won the crowd over. They stoned Paul and dragged him outside the city, thinking he was dead. But after the disciples had gathered around him, he got up and went back into the city.

## Note From Teacher

In class we made a gear system. Students worked really well together and came up with some great creations.

Please return permission forms for class trip as soon as possible. Thank you for those who have already done so.

If you have any questions/concerns, please let me know by emailing me at [ajohnston@pickeringcs.on.ca](mailto:ajohnston@pickeringcs.on.ca)
