CELL PHONE/PERSONAL DEVICE POLICY

- 1) While on school property (including Before and After School Club), students will not be in possession of a cell phone/personal devices (incl. cameras & games systems) unless pre-approved by the administration.
- 2) If a parent wants their child to have a cell phone/personal device for the purposes of communication/safety as they walk/bus to school, then the student must drop off the device at the office upon arrival in the morning, and pick it up after school.
- 3) All parent/student communication while on school property needs to go through the office, not on personal devices.
- 4) If a student is found to have an unapproved device at school, it will be removed and placed in the office. Upon the devices removal the school will contact the parents and arrange for them to pick it up.
